

Catch The Wave Ministries professes Jesus Christ as the Son of God. John 12:32 states, "And I, if I be lifted up from the earth, will draw all [men] unto me."

Mission Statement

Reaching out to the Body of Christ to use the myriad of opportunities God places in our paths daily to share His Word by providing inspiration, resources, and viable ministry links to compel them to step out of the pew and become viable soul winners.

Vision

The intent of Catch The Wave Ministries is to mobilize the Body of Christ to step out of the pews and participate in winning souls to Christ.

Strategies:

Links and **Resources** are provided to equip the believer so they can move out into the harvest.

Devotional readings are solicited from Christians at different steps in their walk and all walks of life so that you might be encouraged. Publications can be submitted for review but should not exceed 350 words.

Remember, "Iron sharpens iron." Devotionals should be packed with milk and "the meat is in the street." As with our natural bodies, we are in need of a balanced diet. We are especially looking for devotions that are related to real life situations with the scriptural reference that led to victory. "And they overcame him by the blood of the Lamb, and by the word of their testimony," Revelations 12:11. By your testimony you can give someone the courage to overcome.
